Blood Oath, has been the first book in a VERY long time that has had me feel a wide range of emotions. It kept me with the main character from start to finish. I was skeptical at first, and read the reviews, not going to lie, i was still skeptical. I am so glad that i decided to read it, and i am now anxiously waiting for the sequel.

Blood Oath (The Darkest Drae: Book One)

Blood Oath was definitely a unique and interesting read. I really enjoyed the lore of Verald and the Draeonian Realm. Phaetyn and Drae were great elements in creating this story. While the story was unique, my favorite parts of the book were the characters. I loved Ryn since the beginning with her humor and need for adventure.
